Re: McCloud Railway Company – Abandonment and Discontinuance of Service  
Exemption – Entire Rail Line in Siskiyou, Shasta, and Modoc Counties, CA. STB  
**Docket No. AB-914-0-X**

Dear Ms. Brown:

**SAVE BURNEY FALLS**, a California non-profit 501 (c) (3) corporation ("**SBF**"), hereby petitions the Surface Transportation Board ("**Board**") for an order extending its Decision and Notice of Interim Trail Use ("**NITU**") in the above referenced matter for an additional 180 days, through and including December 26, 2010.

On December 28, 2009, the Board issued its NITU, providing for a 180-day period for negotiations between **SBF** and McCloud Railway Company ("**MCR**"). Since the date of this decision, **SBF** has received a Letter of Intent from **MCR** and has commenced preliminary engineering and environmental studies, a title search, and other related information, including receipt of grant funds to cover costs of conducting due diligence work.

**SBF** has made progress, but requires additional time to complete a trail engineering and maintenance plan and conclude negotiations with **MCR**.

In support of our request for additional time, **SBF** renews its Petition and Statement of Willingness to Assume Financial Responsibility.

By my signature below, I certify service upon McCloud Railway Company, Mr. Jeff Forbis, 801 Industrial Way, P. O. Box 1500, McCloud, CA 96057, by U. S. Mail, postage pre-paid, first class, this 24th day of June, 2010.
